

User Manual

- 1. Registration page:** Here the user enters their credentials which are then saved for further use during Login process.

The registration page features a background image of business professionals. A white registration form is centered on the screen. At the top of the form, the word "Register" is displayed in bold, with a link "Register in our system now." below it. The form contains four input fields: "Name:", "E-mail:", "Password:", and "Confirm Password:". Below these fields is a checkbox labeled "I Agree terms and conditions." and a red "Register" button.

3. Home Page: Here Job Listings are shown and there is the search option which helps users in relevant finding jobs.

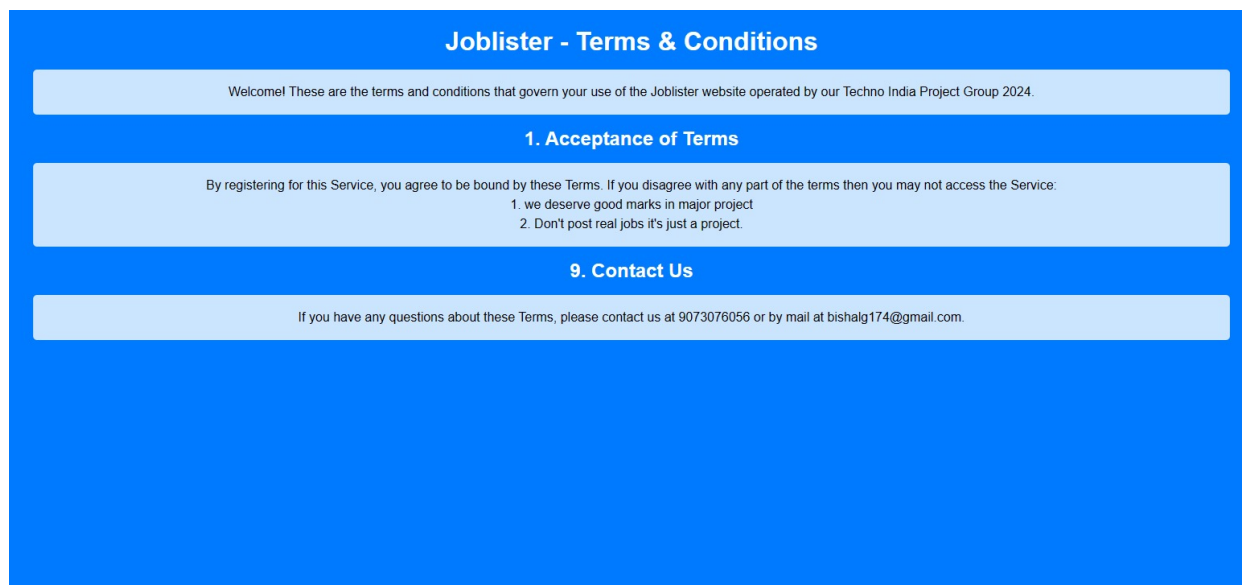

4. Job Listing page: This is a dynamic page which shows the job's description, logo, tags, location etc. From here user can apply for the Job or contact the Job poster.

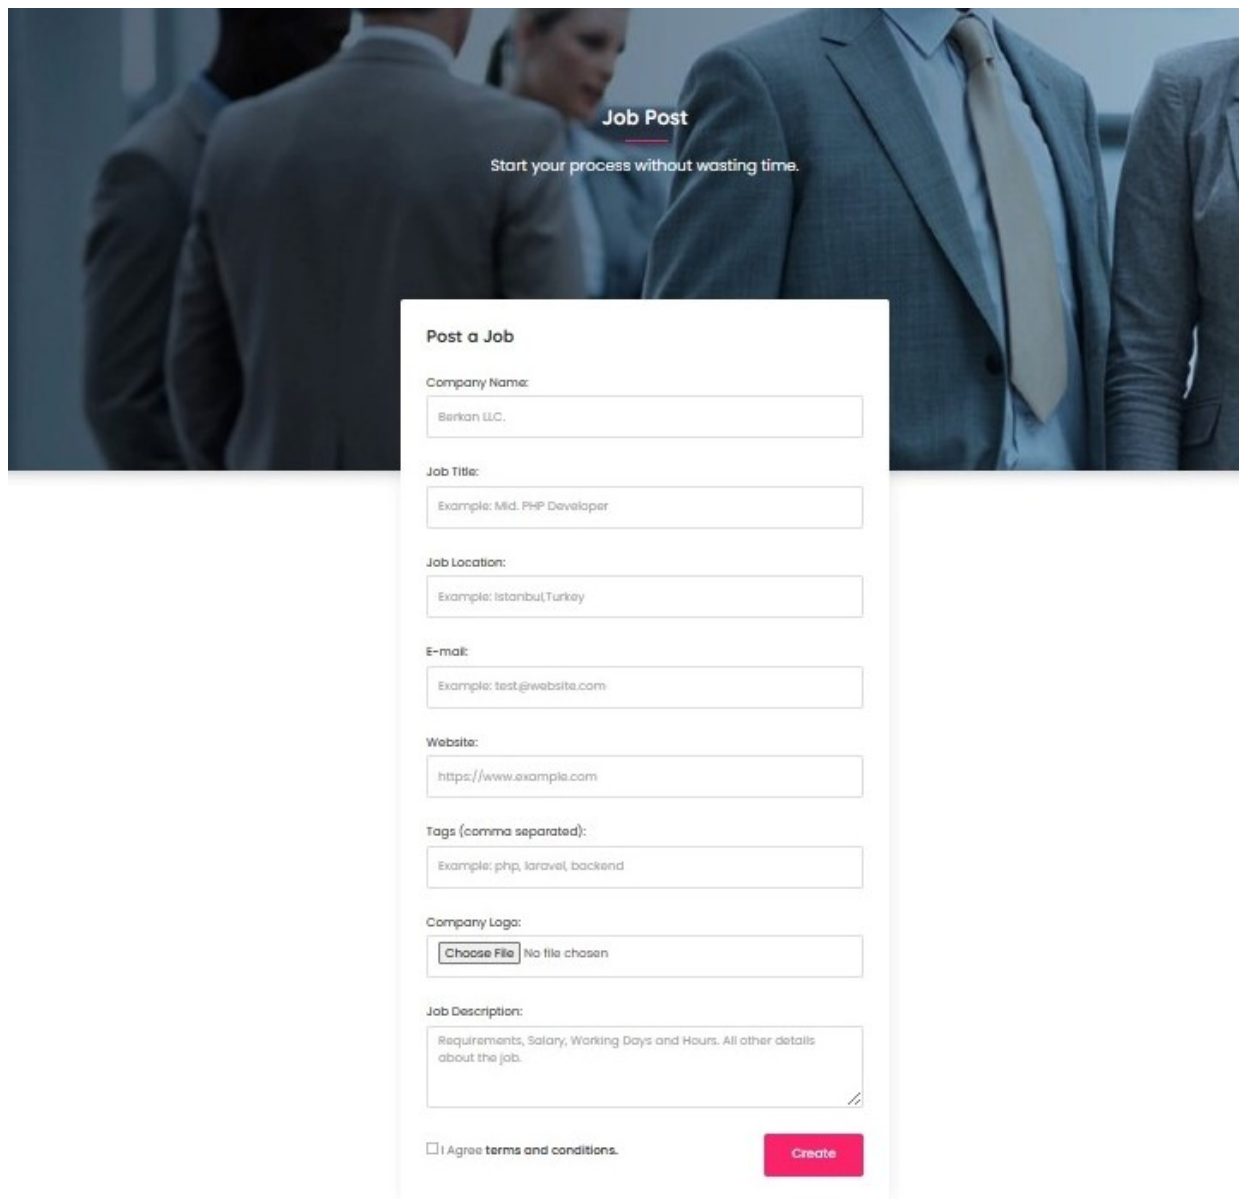

5. Manage Listings: Here jobs can be edited and deleted. This option only becomes visible if correct user has logged already.

6. Terms and conditions: shows the user our terms and conditions for using this application.

7. Create jobs: A page that asks for Job related information.

The background image shows a group of business professionals in a meeting. Overlaid on this is a white form titled "Job Post" with the subtitle "Start your process without wasting time." The form contains several input fields for job-related information, a file upload for a company logo, a text area for a job description, and a checkbox for terms and conditions, ending with a "Create" button.

Job Post
